[Docket No. CP98-632-000]

**Williams Gas Pipeline Central, Inc.;
Notice of Request Under Blanket
Authorization**

June 30, 1998.

Take notice that on June 23, 1998, Williams Gas Pipeline Central, Inc. (Williams), Post Office Box 3288, Tulsa, Oklahoma 74101, filed in Docket No. CP98-632-000 a request pursuant to Sections 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.212) for authorization to install and operate a tap, measuring, regulating and appurtenant facilities, in Woodward County, Oklahoma, for the delivery of transportation gas to Arkla, a NorAm Energy Company (Arkla). Williams makes such request under its blanket certificate issued in Docket No. CP82-479-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request on file with the Commission and open to public inspection.

Williams is requesting authorization to install a tap on its Canadian-Blackwell 26-inch pipeline, in Woodward County, to deliver transportation gas to Arkla for use in a hog farm. Specifically, it is estimated that approximately 8,562 dekatherms (Dt) will be delivered the first year, increasing to approximately 105,282 Dt within five years. Williams further estimates the peak day volumes to be 159 Dt the first year, increasing to approximately 1,056 Dt within five years. Williams indicates that it does not anticipate such deliveries will have any effect on existing customers, because the estimated delivery volumes will not exceed previously authorized volumes.

Williams estimates the cost to construct these facilities to be \$42,488.00, stating Arkla has reimbursed Williams for the facilities. Accordingly, Arkla will own and Williams will operate and maintain the facilities.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor,

the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
